Along comes another frog,
Out of the blue...

And now...
There are TWO!

Two frogs, sitting on a log,
Just as happy as they could be...

One more happy frog,
Falls out of a tree...

And now...
There are THREE!

Three frogs, sitting on a log,
Just as happy as they could be...

From a nearby lily pad,
Jumps one more...

And now...
There are FOUR!

Four frogs, sitting on a log,
Just as happy as they could be...

Waiting for another,
Frog friend to arrive.

And now...

Five frogs, now swimming in the pond,
Just as happy as they could be.

Fooling around,
And having some fun.

Until the day is done!
One, Two, Three...

Four, Five.
FIVE HAPPY FROGS!

Five Happy Frogs

Q. How many frogs does it take to change a light bulb?

A. Five! Four to sit around, and one to hop to it.

Counting is fun!

Reading aloud to your young child is a great way to promote early literacy skills, and reading counting books may also help your child learn about numbers and counting while boosting literacy skills. Reading and counting aloud to your child helps them to realize the purpose of counting, and it is an invaluable investment in their development.

"Five Happy Frogs" is amusing and brilliantly illustrated, counting book, that combines both reading and math skills. This book is an adaptation of a counting song, Five Happy Frogs ©2018, written by the author, Erik Dunton. This little ditty explores one happy day at the pond, full of counting and fun. With its lyrical text and colorfully illustrated pages, your child will love to read over and over again.

So cuddle up, read aloud, and count away!

One. Two. Three. Four. Five Happy Frogs.
